Finding Time for **ME** Time

Once you've ticked off childcare, work and running a house, we give you time to pamper yourself. With the 'Spa Time' packages of 3, 5 or 10 hours, you can design your me time with the aim to relax your mind, renew your body and revive your soul. Whether you're in need of a facial, massage, body wrap or hammam, you customise your time with complimentary time on us.
